Open House and Art Exhibition

The ADC is hosting its annual open house. We decided what better way to host an open house than with the premier of our 2024 Creative Connections art show! The open house and art show will take place on September 14th at 1pm. This also commences National Adult Day Services Week. All of the artwork that will be featured

was created over the last year by our members and their caregivers. For more information on additional viewings or to schedule a personal viewing, please contact KSampson@adultdaycenter.org
